QUOTATION Q-BE-2026-017 | Date: 2026-03-20
Customer: Demo State Printing Works, Procurement Department
Subject: Annual spare parts and service quotation 2026

Dear valued customer, thank you for your continued trust. Please note that due to increased energy and raw material costs, a general price adjustment of 6% on spare parts was unavoidable. In addition, the price of the main drive gear (B-5563) reflects the significant increase in special steel costs.
